SPECIAL REQUIREMENT: Per Internal Revenue Service (IRS) Security Guidelines for Federal, State and Local Agencies (IRS Publication 1075, Section 5.1.1), employees with access to Federal Tax Information (FTI) must complete a background check which is favorably adjudicated. The background check will include FBI fingerprinting; a check of local law enforcement agencies where the employee has lived, worked and/or attended school within the last 5 years, and if applicable, of the appropriate agency for any identified results and verification of citizenship/residency. You will be required to pay for a processing fee for the fingerprinting. NOTES: (1) A criminal record does not necessarily disqualify you from employment or access to FTI. An individualized determination will be made as to how any conviction would impact suitability to handle FTI. (2) Federal guidelines require that a reinvestigation will be conducted within ten years of the date of the previous background investigation for each employee requiring access to FTI. NY law does not currently permit reinvestigation but may be changed at any time to permit reinvestigation pursuant to the federal guidelines.

Please refer to the FTI policy posted on the Rockland County Department of Social Services website for further information. (over)
